Evolution du nombre de diplômés

This bar chart displays the annual number of graduates for each academic program. The y-axis ranges from 0 to 3,500. The legend indicates the sessions: Session 2006 (blue), Session 2007 (red), Session 2008 (green), Session 2009 (purple), Session 2010 (cyan), Session 2011 (orange), and Session 2012 (light blue). The chart shows a general upward trend in graduation numbers over the period, with Licence 3 Pro reaching the highest peak of approximately 2,900 in 2006.

Evolution du taux de présence

This bar chart shows the presence rate as a percentage for each academic program. The y-axis ranges from 0% to 100%. The legend uses the same color scheme as the first chart. The presence rate generally increases over time, with Licence 3 Pro showing the highest rates, often exceeding 90%.

Evolution du taux de réussite

This bar chart shows the success rate as a percentage for each academic program. The y-axis ranges from 0% to 100%. The legend uses the same color scheme. Success rates are consistently high, often near 100%, with Licence 3 Pro again showing the highest overall success rates.
